Introduction

This qualification specification outlines key information required by learners to ensure they are able to make an informed decision in regard to the qualifications they are undertaking.

Qualification purpose

This qualification is aimed those who have completed a workplace first aider qualification as outlined in the Health and Safety (First Aid) Regulations 1981 and the Health and Safety (First Aid) Regulations (Northern Ireland) 1982, and who are refreshing their knowledge and skills as outlined in the above legislation.

Qualification objective

This qualification has the purpose of supporting a role in the workplace.

Qualification structure

Qualification accreditation number	603/2613/X
Qualification level	3
Guided learning hours (GLH)	3
Total Qualification Time (TQT)	3
Credit value	1
Validity	12 months

Pre-requisites

This qualification is aimed at those over 16 who are able to undertake the responsibilities associated with being a workplace first aider.

Learners between 14-16 years can undertake the qualification, however they should not be relied upon by employers to be a sole first aider.

Due to the language of the assessment, it is recommended that learners have sufficient command of the English language in order to understand the assessment and to undertake the recommended assessment methods.

Attendees will be required to demonstrate First Aid procedures as they would in a real work environment. This includes providing CPR to a casualty who is on the floor, therefore be physically capable of doing so.

There are no other pre-requisites for this qualification.

Delivery requirements

This qualification is typically delivered in a face-to-face format over a half-day period.

Learners should complete the qualification within 1 week.

The delivery of this qualification should include scenario-based learning.

Trainer to learner ratio

The maximum trainer to learner ratio for this qualification is 1:12.

Optional and additional units

There are no additional or optional units related to this qualification.

QNUK Level 3 Award in First Aid Annual Refresher (RQF)

Blended learning

Blended learning is not accepted for this qualification.

Units of assessment

This qualification has one mandatory unit

Unit one title	First aid basic skills update
Unit one reference number	H/616/6802
Level	3
Credit	1
Guided learning hours	3
Status	Mandatory

Details on the knowledge and understanding which will be assessed can be found in Appendix 1 and 2 of this document.

Assessment methods

Learners are assessed for this qualification using the following method:

Practical observation

Practical observation

Each learner will be assessed for this qualification by the completion of a number of practical assessments.

Method	Practical observation
Language of assessment	English
Grading	Pass/Fail
Pass mark	100%
Duration	As required

Reasonable adjustments

All learners are required to complete the assessment criteria in a manner appropriate to the purpose of the qualification.

For this qualification learners must be able to perform relevant practical tasks on the floor during the summative assessment.

The prescribed assessment methods for this qualification should not unfairly disadvantage learners, who would otherwise be able to demonstrate competence in the assessment criteria and in line with the purpose of the qualification.

If you feel the assessment methods above would disadvantage you, please contact your centre to discuss reasonable adjustment.

Results

Once learners have completed their assessment, the centre is required to submit their results to Qualifications Network for moderation within 10 working days of the date of assessment. We will issue verified results and appropriate certification to the approved centre within 7 working days of receiving those results. Results and/or certificates will then be forwarded to learners by the Centre. Learners should expect to receive all results within 20 working days of the date they take the assessment. If they have not received them within 25 working days, they should contact their centre in the first instance.

Progression routes

Learners undertaking this qualification may wish to progress to the QNUK Level 3 Award in Responding to Incidents with an AED (RQF) or the QNUK Level 3 Award for First Responders (RQF).

Acceptable forms of I.D.

All learners must provide suitable identification documentation (I.D.) prior to being allowed to take an assessment for this qualification. This is a regulatory requirement. Centres must ensure that all I.D. is checked, and the I.D. type noted on the Cohort Register.

Learners who do not have an acceptable form of I.D. will not be allowed to take the assessment.

The list below outlines acceptable forms of identification for learners undertaking a regulated qualification with QNUK.

Ideally learners should provide at least 1 form of photo I.D. If photo I.D is not available, 2 forms of non-photographic I.D can be accepted.

Acceptable forms of photographic I.D (1 required) are:

- Signed UK Photo card driving licence
- Signed passport (any nationality)
- Valid EU Photo identity card
- SIA security licence (with photo)
- Current and valid warrant card issued by HM forces or Police
- Current and valid Prison service card (with photo)
- Proof of age card
- Employee photo identification card
- Student photo identification card for a recognised educational establishment
- Firearms licence (with photo)

Acceptable forms of non-photographic I.D (2 required) are:

- Current driving licence – paper version
- Birth certificate
- Marriage/civil partnership certificate
- Mortgage statement (issued within past 12 months)
- Bank or building society statement (issued within last 3 months)
- Bank or building society account opening confirmation letter (issued within last 3 months)
- Credit card statement (issued within last 3 months)
- Pension or endowment financial statement (issued within last 12 months)
- P45 or P60 statement (issued within last 12 months)
- Council tax statement (issued within last 12 months)
- Valid work permit or visa issue by UK government
- Utility bill – excluding mobile phone bill (issued within last 3 months)
- Benefit statement e.g. child benefit, pension (issued within last 3 months)

Appendix 1 Learning Outcomes and Assessment Criteria

Unit 1 First Aid basic skills update

The following details the learning outcomes for this qualification and the assessment criteria referred to within the assessment and used to determine if a learner has met a learning outcome. Further details of how learning outcomes and assessment criteria are covered is included in Appendix 2 Unit 1 Indicative Content.

		Assessment Method
		Obs
1	Be able to assess an incident; in relation to:	
1.1	conducting a scene survey	✓
1.2	conducting a primary survey of a casualty	✓
1.3	summoning appropriate assistance when necessary	✓
2	Be able to provide First Aid to an unresponsive casualty; in relation to:	
2.1	when to administer Cardio-Pulmonary Resuscitation (CPR) to a casualty	✓
2.2	demonstrating CPR on a manikin	✓
2.3	when to place a casualty into the recovery position	✓
2.4	demonstrating how to place a casualty into the recovery position	✓
2.5	administering First Aid to a casualty who is experiencing a seizure	✓
3	Be able to provide First Aid to a casualty with external bleeding; in relation to:	
3.1	the severity of external bleeding	✓
3.2	demonstrating how to control external bleeding	✓
4	Know how to provide First Aid to a casualty who is in shock; in relation to:	
4.1	recognising a casualty who is suffering from shock	✓
4.2	how to administer First Aid to a casualty who is suffering from shock	✓

Appendix 2 Indicative Content

Unit 1 First Aid basic skills update

1.1	Conducting a scene survey	Learners can demonstrate an awareness of the environment, other hazards, bystanders and available First Aid equipment.
1.2	Conducting a primary survey of a casualty	Learners can conduct a primary survey of a casualty, to include: dangers, response, open airway and breathing check. Learners should be aware of the term agonal gasps.
1.3	Summoning appropriate assistance when necessary	Learners will know the type of assistance they require; whether bystanders or the emergency services, on completion of a primary survey. Learners should be aware of how to contact other emergency services such as mountain rescue.
2.1	When to administer Cardio-Pulmonary Resuscitation (CPR) to a casualty	Learners know how to differentiate between casualties who require resuscitation and when they should be placed into a recovery position. Learners will also be aware of agonal gasps.
2.2	Demonstrating CPR using a manikin	The learner will demonstrate basic CPR in accordance with current UK resuscitation council guidelines, to include the use of an AED including the placement of pads and following of AED instructions.
2.3	When to place a casualty into the recovery position	Learners know how to differentiate between casualties who require resuscitation and when they should be placed into a recovery position.
2.4	Demonstrating how to place a casualty into the recovery position	The learner can demonstrate the recovery position, as outlined by the latest UK resuscitation council guidelines.
2.5	Administering First Aid to a casualty who is experiencing a seizure	Learners will know the actions to undertake while a casualty is in seizure. The management of the casualty once the seizure has stopped and the recommended times to call the emergency services
3.1	The severity of external bleeding	Learners will be able to identify the characteristics of capillary, venous and arterial bleeding.
3.2	Demonstrating how to control external bleeding	Learners will be able to demonstrate the management of a casualty with a bleed. To include dressing common wounds including to the head, arm, hand or leg.
4.1	How to recognise a casualty who is suffering from shock	Learners will be able to recognise the common recognition features of a casualty in hypovolaemic shock.
4.2	How to administer First Aid to a casualty who is suffering from shock	Learners will know the recommended First Aid treatment for a casualty in hypovolaemic shock. To include, position, keep warm, nil by mouth, moisten lips, reassurance and refer to the emergency services.
